ABEL WOMACK

discover the difference.

discover the *difference.*

Abel Womack's Flexible Leasing Program is the right solution for people who want excellent equipment at a low monthly cost without having to make a long term commitment.

Flexible Leasing Highlights

- If you move, change your facility or products and require a change in truck specifications, you can do it without penalty.
- Business levels are unpredictable and you don't have to make a five year commitment on equipment that may not be needed.
- Enjoy the balance sheet advantages of a residual lease without the hassles of ownership.
- Comprehensive fixed price maintenance will help you control cost, simplify budgeting, and ease your administrative burden.

RAYMOND

Leading Edge Technology

Get the best trucks money can buy. **RAYMOND** leads the industry in design, technology, ergonomics and performance. We provide the best in reliability and productivity with new and late model Raymond Lift Trucks.

How Flexible Leasing Works

- Sign an agreement for a 3 year term, including comprehensive fixed price maintenance at low longer term rates.
- Be able to swap original equipment for different equipment with different specifications.
- Continue renting indefinitely after the 3 year term expires
- Upgrade to newer equipment, if desired, after original 3 year term.

Superior Service—All Brands

Comprehensive Fixed Price Maintenance is included in our Flexible Lease Solutions. You won't have to sort through stacks of invoices because all normal maintenance and repairs are covered.

Our Certified Technicians are the best in the business and are backed up by an extensive parts inventory and a knowledgeable staff of experts, all driven to respond quickly and fix it right the first time.

"The Abel Womack support team is the best. They respond in no time and their technicians service our equipment quickly and efficiently."

Rich Thom, Distribution Engineering Manager
