

BLUE GUARDIAN[®]

exclusively through Raymond

By redirecting the impact of a forklift to the center block of a pallet, the *Blue Guardian* reduces product damage often associated with standard direction forklift impact. The *Blue Guardian* fits ITA Class II forklift carriages.

BLUE GUARDIAN

exclusively through Raymond

Features

Product Protection

- Reduces damage to primary and secondary packaging of palletized products. Redirects impact from the product and absorbs impact to the center of the pallet block.
- A low-profile bumper design avoids direct contact with load.
- Fewer wood splinters minimizes debris and forklift tire damage.
- Quick and simple installation with no permanent modification to forklift.

Dimensions

18.75 x 7.0 x 0.4 in. (476.3 x 117.8 x 10.2 mm)
17.5 lb (7.9 kg)
