

EDGE

LITHIUM-ION MOTORIZED PALLET TRUCK

GIVE YOURSELF THE EDGE IN PRODUCTIVITY AND AFFORDABILITY

The *Edge* is a Lithium-Ion powered pallet jack offering exceptional durability, maneuverability, and affordability. With a compact design and motorized lift, lower, and travel capabilities, the *Edge* allows operators to effortlessly handle loads up to 3,300 lbs. in even the most confined spaces. Add in fast charging, and simple battery changes, and it's easy to see how the *Edge* gives you a productivity edge over manual hand pallet jacks.
