*Abel Womack's Rent-Equity Program is the right solution for people who need to rent a lift truck for six months or more, but want something to show for their investment when the rental period is over.*

## It's Simple

- With your commitment to rent any lift truck from our huge rental inventory, we will apply a percentage of your rental payments to a store account that can be used as credit towards your next new or pre-owned **RAYMOND** truck, rental or any truck item in our catalog.

## You Can't Afford Not to...

- You will still receive our normal highly competitive rental rates. In addition you can build your Abel Womack Rent-Equity Account.

## Leading Edge Technology

Rent the best trucks in the industry. **RAYMOND** leads the industry in design, technology, ergonomics and performance. We provide the best in reliability and productivity with new and late model Raymond lift trucks.

## We Have the Trucks You Need

Abel Womack has the largest fleet of narrow aisle lift trucks in the Northeast US. We have over 500 trucks of all types, models, capacities and specifications. As part of the **RAYMOND** dealer network, we have access to another 6,000 rental trucks. *We have the trucks you need, when you need them!*

## Worry Free Operation

It's in our best interest to keep our rental equipment in top condition. Trucks that aren't economical to run are quickly replaced, so you'll always have safe, reliable and productive equipment in your facility.

## Superior Service—All Brands

Maintenance and normal repairs are included with your rental. Should anything go wrong, our staff of over 130 trained and certified technicians are ready to respond quickly to your call.

Our Certified Technicians are the best in the business and are backed up by an extensive parts inventory and a knowledgeable staff of experts, all driven to respond quickly and fix it right the first time.

*"The Abel Womack support team is the best. They respond in no time and their technicians service our equipment quickly and efficiently."*
