

THE TENNANT ADVANTAGE

ABEL WOMACK
800.554.2887 | www.abelwomack.com

Tennant Company is a recognized leader in designing and manufacturing innovative technology and solutions that help create a cleaner, safer, healthier world. Our products:

- Increase productivity by reducing time spent cleaning
- Are easy to maintain, resulting in less down time
- Focus on employee and customer health and safety
- Are flexible and versatile for various environments and spaces

T5 | Walk-Behind Scrubber

- Designed for easy maneuverability in industrial facilities.
- Provides aggressive scrubbing power with excellent water pickup.
- Delivers outstanding maneuverability.

T17 | Rider Scrubber

- Heavy-duty battery scrubber for the toughest industrial facilities.
- Cleans 7-8 hour shift in economy mode on a single charge.
- Reduces slips and falls with excellent water recovery system that leaves floors virtually dry.
- Engineered for easy operator maintenance experience.

M20 | Integrated Scrubber-Sweeper

- Designed to pick up medium to heavy dirt, sand, bulky litter and broken glass often found at indoor/outdoor industrial facilities, schools and plazas and municipalities.
- Single-system eliminates the complexity of traditional scrubber-sweepers.
- Maximum productivity with ec-H2O technology cleans up to three times longer than conventional scrubbing.

S30 | Rider Sweeper

- Captures heavy dirt, bulky litter and broken glass often found in industrial facilities, warehouses, parking decks and municipalities.
- Provides exceptional dust control for indoor and outdoor environments with the exclusive SweepMax® Plus system.
- Ensures a healthy and safe environment with improved air quality.

ec-H2O™ | Innovative Cleaning Technology

- Electrically converts water into an innovative cleaning solution that cleans effectively, saves money, improves safety, and reduces environmental impact compared to daily cleaning floor chemicals and methods.
- Clean up to 3 times longer than conventional scrubbing with ec-H2O™.

Floor Coatings

- Coated floors are easier to clean, maintain and make an outstanding first impression.
- Protect and achieve durable, high performance with Tennant Coatings.
- Repair cracks and chips, save money on resurfacers and add traction, safety and light reflectivity.
